Dear Participant:

On behalf of the Chapel Hill-Carrboro City Schools Career and Technical Education Department, we cordially invite you to participate in the Middle School Career Fair at the University Mall in Chapel Hill from 5:00 to 8:00 p.m. on Thursday, November 13, 2008. Our theme this year is **“Come See...Come Be”**.

The purpose of our fair is to give our middle school students a better understanding of various careers and continue building our strong partnership between our school district and the community. This will be our first career fair for middle schoolers. Students will have the opportunity to meet you as business professionals, as well as explore their career interests in the field of their choice. By your partnership in the educational process, you provide an invaluable service to the entire school community. Please give consideration to being one of our participants in this year's event.

We are excited about the possibility of you sharing your expertise and career experience with our middle school students and their parents. We look forward to hosting you on this special evening. To confirm your participation in this event, please respond by e-mail to [studor@chccs.k12.nc.us](mailto:studor@chccs.k12.nc.us) by October 15, 2008.

We will provide a 6 foot table, chair and refreshments. If you agree to participate please respond by email with the name of your business, your name, title and contact information. Please also bring informational handouts and momentos for these 6-8<sup>th</sup> graders. If you need an electrical outlet, please let us know.

Sincerely,

Sandra Tudor, CDC  
Carrboro High School
