Christmas House

A project of the CHSL

Support Christmas House with an Evening of Family Fun!

Christmas House is an annual tradition for our community and support for it begins with the Wish Tree Kick-Off at University Mall Wednesday November 5, from 7 – 9 p.m. Join UNC Women's Basketball Coach and Christmas House Honorary Chair Sylvia Hatchell, along with several members of her team, as they unveil this year's Wish Tree! The Wish Tree will be decorated with dozens of bear ornaments for you to select so that you may purchase a gift for a disadvantaged child in our area. WCHL radio personality Ron Stutts will host the event and entertainment will include performances by the Triangle Youth Ballet and the Bouncing Bulldogs. The Wish Trees will be displayed at both University Mall and Carr Mill Mall through December 24, 2008.

The Chapel Hill Service League (CHSL) is a 501 © (3) non-profit women's volunteer service organization dedicated to projects helping women and children in Orange county. The League is committed to providing hands-on service to a wide range of worthwhile community projects while promoting fellowship and personal growth among our members. 1360 WCHL is a proud media sponsor of Wish Tree and Christmas House.

Note to Editors and Photographers: This event is a great photo opportunity.
